 Don Hickle David Hernandez

Brad Eaves (brade@trafficengineers.com) from Traffic Engineers and Sal Rueda presented information and answered questions about the results of the traffic study and how to proceed.

Temporary calming device at Braeburn Glen and Valley View

- Traffic and speed measurements were recorded early 2016 or late 2015
- Calming device installed March 2016
- In 2018 measurements were again recorded
 - Traffic numbers were substantially reduced after installation of device

Traffic Engineers will hold a public meeting at our civic club building on **November 14, 2018**. Information will be shared with attendees. A vote to keep or remove the calming device will be requested.

Original traffic calming committee:

Eliza Sifuentes	Don Hickle
Lucy Castillo	Patrick Smith
Megan Ganek	Mirna Perez
Carlos	David Hernandez
