On June 12, 2022, fees for non-Chase ATM transactions are changing

We're making the following fee changes and, depending on the type of account you have with us, you may be affected:

- **Non-Chase ATM transactions fee* (Domestic Withdrawal, Domestic & International Balance Inquiry, Domestic & International Balance Transfers):** This fee will increase from \$2.50 to \$3.00, but you can still avoid it by using Chase ATMs. The International Withdrawal Fee for ATMs outside the U.S., Puerto Rico and the U.S. Virgin Islands remains \$5.00 per withdrawal. We'll continue to waive these fees for customers receiving Chase Military Banking benefits on their Chase Business Complete CheckingSM accounts.

Please note: We'll continue to waive these fees for Chase Performance Business Checking[®] and Chase Platinum Business CheckingSM accounts.

For more information about banking fees, please read the Additional Banking Services and Fees for Business Accounts Deposit Account Agreement, which you can find at chase.com/business-deposit-disclosures, or visit a branch.

If you have any questions, please call the number on this statement. We accept operator relay calls.

* Fees from the ATM owner/networks may still apply.
