

Below is what has been spent up till October 16, 2022

Randall to end of year	BGCC	Total
\$ 19,842.56	\$ 25,275.47	\$ 45,118.03

With one month left in the year we anticipate that we will spend about \$46,000. Our budget was \$60,000.

Last year's board spent about \$53,000 and we got what for that money?

This year's board has accomplished the following with less money and having to pay for the management company.

\$2,000 to police store front

Mosquito spraying about \$2,600

New floor at Civic Club Building \$5,000

Two community events \$1,500

Clean up nuisance they left at Civic Club site \$500

Plumbing repair left over from last year \$400

Approximately \$2,000 of the expenses were from the previous year that were left unpaid

Next year's budget will be around \$20,000 as that as what we anticipate will be collected.
